FINANCE COMMISSION DISCLOSURE STATEMENT

“We can introduce you to a selected panel of lenders, which includes Volkswagen Commercial Vehicle Financial Services. An introduction to a lender does not amount to independent financial advice.

Our approach is to introduce you first to Volkswagen Commercial Vehicle Financial Services, who are usually able to offer the best available package for you, taking into account both interest rates and other contributions. If they are unable to make you an offer of finance, we then seek to introduce you to whichever of the other lenders on our panel is able to make the next best offer of finance for you. Our aim is to secure the best deal you are eligible for from our panel of lenders.

Lenders may pay a fixed commission to us for introducing you to them, calculated by reference to the vehicle model or amount you borrow. Different lenders may pay different commissions for such introductions, and Volkswagen Commercial Vehicle Financial Services, also provide preferential rates to us for the funding of our vehicle stock and also provide financial support for our training and marketing. But any such amounts they and other lenders pay us will not affect the amounts you pay under your finance agreement, all of which are set by the lender concerned.”
